

## Dear Coaches, Guardians and Entrants of the 10th NWRV Indoor-Cup,

Thank you so many entries! Now we can send you the entry list.  
To help everything run smoothly, we have put together some information for you:

### Opening Hours:

- hall at 6.30 am.
- office at 7:00 am.
- weighing machine at 7:00 am.

### Parking site for Entrants - behind the hall:

To avoid total chaos, participants will be provided with a permit to park next to the hall in the schoolyard. It will be at the warm up zone.

### Parking site for visitors:

Visitors should follow the signs, which start as you enter the town, and use the parking at the „Schwimmbad/Tellbruch“. There will be a shuttle to the hall at 9 am every 10 minutes.

### Accommodation:

All requests for accommodation can be met. The air bed accommodation will be in the school, where the competition will take place. (5 Euro deposit/person). Breakfast (4 Euro) is available at 6.30 am in the foyer of the hall (Booking: Christiane Orlowski +49/162/10 58 286)

### Guardians Meeting & Coaches Breakfast:

The Coach and Guardian's meeting will be at 8.00 am in one of the school classrooms. Late entries to races are possible up till this time. We are happy to welcome everybody. (As usual there will be coffee, tea and snacks) The meeting language will be German.

### „After Row Party“ & tribute concert from „Claymore“:

For the first time there will be an „After Row Party“ after the last race at 6.30 pm in the hall. „DJ Borni“ will provide golden oldies and current chart hits. In principle there is no entry fee for the party for participants!!! However we want to contribute to the worldwide fundraising campaign through this lively evening. So we suggest a „Contribution Fee“ of five Euro. The Celtic rockband "CLAYMORE", already known from several appearances at the Autumn Cup, will make this a really special Benefit Evening!

### Additional Information:

- After the event Concept2 sell the competition ergometers (Modell D) at 1.200 € instead of 1.425 €.
- Interested parties should contact the competition office on Saturday.
- All competitors should race in Club kit. We may be visited by a Television company.

We wish everyone a safe journey and we look forward to exciting competitions and an interesting day in Kettwig. All supporters are welcome.

With kind regards  
Kettwiger Rudergesellschaft

Sybille Meier & Boris Orlowski
